It has come to our attention that your adversarial actions on behalf of the Republicans of Bernalillo County, The State of New Mexico, and the entire Nation need to be addressed. We are requesting an emergency meeting of the Republican Party of Bernalillo County Central in order to address these damaging actions.

The following infractions “constitute” breaches of the Republican Party of New Mexico Uniform State Guidelines to advance the betterment and welfare of the Republican Party.

- Denial of Leslie White the Trump Victory state representative of our beloved President of the United States and the highest-ranking Republican in the Nation , to speak at our County Convention.
- Irregular procedures implemented in County Convention planning including your sole decision to have “never Trumper” former Governor Susanna Martinez as the keynote speaker at the County Convention.
- The Trump Victory Team secured the current County office space to house the Trump Victory Team, and they generously allowed you to share the office space. You hijacked this plan, and now you deny The Trump Victory Team access to the very office space they secured.
- Your failure to comply with the Chairman’s standard procedure to hold monthly meetings of the Bernalillo County Republican Party. One introductory organizational meeting in a year constitutes dereliction of duty of your position as County Chair.
- Your code of ethics violations:
 - a. up until two weeks ago, simultaneously functioning as treasurer of Bob Godshall’s campaign while officiating as the Bernalillo County Republican Chairwoman. (officially verified)
 - b. targeting Trump supporters in the Republican Party to alienate them and thereby creating an extreme hostile environment
 - c. failure to follow oversight procedures

We request an immediate response to this call-to-action emergency meeting.

Respectfully,

H. W. (Winnie) Schmidt, former BernCo secretary and 2nd Vice Chair of BernCo, current member of CCC
Judy Young, current member of CCC
